

VOLUNTEER PILOTS NEEDED

Kids In Flight is a local charitable organization in Cleveland, Ohio that provides children who are seriously ill an opportunity to leave their medical issues behind and soar with their dreams. Our Wings of Wonder event is scheduled for Saturday, June 24, 2017 at Burke Lakefront Airport in Cleveland. This is an opportunity for you to share your love of aviation with a deserving child by taking them for an airplane ride to help them rise above their everyday struggles for a day.

Basic requirements:

- 500 hours total time (FAR)
- Standard Category Aircraft (FAR)

If you would be interested in flying in this year's Wings of Wonder event, please contact us at pilot@kidsinflight.org for additional information, or call Paul Reidy at (330) 283-4201.
